1. REGULATORY SUITABILITY FRAMEWORK & MANDATORY CAVEAT

Under Regulation 16 and 17 of the SEBI (Investment Advisers) Regulations, 2013, every registered adviser is legally mandated to evaluate client risk profile, capacity for loss, investment horizon, and financial situation before recommending any securities portfolio. This questionnaire constitutes the mathematical foundation for determining your client archetype and volatility tolerance.

STATUTORY CAVEAT: "Indicative profile based on your answers. Not an investment recommendation."

2. THE 10 INSTITUTIONAL SUITABILITY QUESTIONS

Question 1: How long do you plan to keep the major portion of your investments untouched? (Time Horizon)

Objective: Longer investment horizons allow portfolios to comfortably ride out economic cycles.
